The exclusive representative shall represent all such employees of the district contained in the appropriate unit as certified by the Bureau of Mediation Services.

ARTICLE III

EMPLOYEES' HOURS

- Section 1. General Rule: The rule is that employees shall not be away from their places of duty during the regular prescribed hours except by special permission in cases of emergency or by definite arrangement with the supervising administrator, the Superintendent, or the Superintendent's designated agent.
- Section 2. Work Day: The working hours in the schools shall be set according to the school hours of the building and the length of the work day for which the employee has been hired. All employees working six hours or more in the bargaining unit shall be granted a duty free unpaid lunch period of 35 minutes at or near the middle of their work shift and one 15 minute paid break. Employees working fewer than six hours per day shall receive an optional 35 minute unpaid lunch period and one 15 minute paid break.

Section 3. Overtime:

- Subd. 1. The district will pay bargaining unit employees for overtime worked during each payroll period. Overtime should be reported on a "Payroll Time Sheet."
- A. All time in excess of 40 hours a week will be paid at time and one-half. The 40 hours per week requirement prior to overtime may include designated holidays and sick days.
- B. Employees regularly working less than 40 hours a week will be paid at the regular rate for any hours worked up to the 40 hours in one week.
- Subd. 2. Approval must be obtained from the supervising administrator of the bargaining unit employee before overtime hours are worked. An attempt should be made to provide hourly help or to work out some other solution so that overtime will not be necessary.
- Subd. 3. Compensatory time off for overtime may be given if approved in advance by the supervising administrator and the employee. If compensatory time is not allowed, overtime pay shall be allowed. Employees who normally work less than 40 hours per week shall receive compensatory time off if approved in advance by the supervising administrator at the straight time rate up to 40 hours and, after 40 hours, at time and one-half.

ARTICLE IV

SALARIES

Section 1. Salary Structure: The hourly salary structure appears in Appendix A of this Contract.

Section 2. Job Reclassification: Jobs will be classified according to responsibility Classes. Employees shall be notified of their job classifications at the beginning of the employment year.

When substantial changes in position responsibility have occurred, a request for reclassification and a revised position write-up, which has been approved by the supervising administrator, shall be submitted to the Reclassification Review Committee for review and classification. The School District shall keep the Union informed as to the names of the members of the Committee.

Section 3. Classification of New Job Position: Upon School Board approval of a new position, and submission of a position write-up from the supervising administrator, the Reclassification Review Committee will recommend classification of Responsibility Class for a new position. The Responsibility Class of a new position will be subject to the negotiations process with the Union. Any adjustment in salary resulting from the negotiations will be retroactive to the beginning date of employment of the incumbent in the new position.

Section 4. Establishing New Employees' Salaries: New employees will normally be hired at entry class of the appropriate Responsibility Class. However, where prospective employees are obviously well-qualified to assume greater responsibilities, they may be considered for employment placement up to the third step of the schedule at the discretion of the employer.

Subd. 1. Former bargaining unit employees who have been reclassified out of the bargaining unit by the district and subsequently are reassigned to bargaining unit positions shall be paid at the experience rate they would be on had they not been transferred out of the unit. If their current salary exceeds the bargaining unit schedule they shall have their salary frozen until the rate meets or exceeds that salary.

Section 5. Position Movement/Transfers Between Classification: If someone moves from one contract to another in a job classification of an equal or greater paygrade, they would be placed at the next closest step equal to or greater than their current paygrade.

Section 6. Salary Payments:

Subd. 1. Salary shall be paid on the 15th and the 30th of the month. In the event the 15th or 30th falls on the weekend or on a holiday, payday shall be on the preceding working day.

Subd. 2. Hourly time sheets shall be turned in twice a month, on the 15th and the 30th. If time sheets are received on time, hourly employees will be paid on the 30th of the month for hours worked from the 31st of the preceding

month through the 15th, and will be paid on the 15th of the month for hours worked from the 16th through the 30th of the preceding month.

Subd. 3. There will be equal installments paid over the work year for each employee: That is, 12 month employees will receive 24 equal payments. School year employees shall receive equal installments during their work year on regular pay dates.

Section 7. Out-of-Job Classification: If an employee is required to work in a higher class position, after 10 working days the employee shall be paid at the higher position's responsibility class and at the rate consistent with the replacement's regular rate step. This payment shall be retroactive to the first day in that position.

For the purpose of this Section, an "out-of-class" assignment is one in which an employee is required to perform the primary responsibilities of the incumbent's position as determined by the incumbent's job description.

ARTICLE V

PROBATION/PERFORMANCE EVALUATION Based on the Clerical Development System Rubric

Section 1. Probationary Period: A new employee under the provisions of this Agreement shall serve a probationary period of one full working contract year of continuous service in the school district during which time the school district shall have the right to suspend without pay, discharge or otherwise discipline such employee; and during this probationary period, the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated. An employee hired prior to January 1st will receive a step increase the following fiscal year.

Section 2. Probationary Performance Evaluation: Scheduled performance reviews during the first year along with employee/supervisor communication to aid employees in gaining insights about strengths and weaknesses and lead to improvement of job performance. Both formative and summative evaluation will be done. Employees shall be given an opportunity to add their written comments if they so desire.

Section 3. Post Probation Performance Evaluation: Employees successfully completing their probationary period will receive summative performance evaluations at least once every five years along with employee/supervisor communication to aid employees in gaining insights about strengths and weaknesses and lead to improvement of job performance. Both formative and summative evaluation will be done. Employees shall be given an opportunity to add their written comments if they so desire.

Section 4. Probationary Period: Change of Classification. An employee transferred or promoted to a different classification shall serve a new probationary period of three calendar months in any such new classification. The employee will receive feedback midway through the probationary period along with employee/supervisor

communication to aid employee development. During this three-month probationary period, if it is determined by the school district that the employee's performance in the new classification is unsatisfactory, the school district shall have the right to reassign the employee to the former classification.

ARTICLE VI

DISCIPLINE

Section 1. The employer may discipline an employee only for just cause. Discipline, when administered, may be progressive. The specific level of discipline chosen is solely within the discretion of the school district. Circumstances surrounding each individual case will affect the level chosen. Normally the employer will utilize the levels for discipline in the order listed below.

1. Verbal Notification
2. Written Reprimand
3. Written Notice of Deficiency
4. Suspension
5. Termination

Section 2. An employee called in for a disciplinary conference shall be informed of their right to have a union representative present.

Section 3. Prior to discharging an employee, the employer shall notify the employee and the union of the reason(s) for the discharge and the effective date thereon. The employee may request an opportunity to hear the evidence against him/her and to present her/his side of the story to the employer's representative. The employee may have the union representative at this meeting, if the employee requests such representation. The right to such meeting shall expire at the end of the next scheduled work day of the employee after notice of discharge is delivered to the employee, unless the employer and the employee agree otherwise. The discharge shall not become effective during the period when the meeting may occur.

Section 4. A copy of the written reprimand to an employee covered by this agreement may be forwarded to the union at the request of the employee.

Section 5. An employee, other than a probationary employee, may appeal a disciplinary matter through the contractual grievance procedure.

ARTICLE VII

DUES CHECK OFF/UNION SECURITY

Section 1. Check Off: Bargaining unit employees shall have the right to request to be allowed dues check off for membership in the Union. The authorized dues shall be deducted from each member in equal installments on the 15th and 30th of each month. The aggregate deductions of all employees shall be remitted together with an itemized statement to the Treasurer of the Local Union within 10 days of such deduction.

Employees working less than 12 months shall not have dues deducted for the months they are not employed by the district.

Section 2. Information:

District will provide a monthly (October – May) report to both the Union’s AFSCME representative and the Union president. One additional report will also be provided just prior to the Back to School Workshop. Said report will be comprised of the names of those employees in the bargaining unit, along with title and location, mailing addresses on record, current hourly rates of pay, number of hours worked, and date hired. District will include sick leave bank hours in the monthly October-May reports and before back to school report to the union.

Section 3. Bulletin Boards: The employer shall provide reasonable bulletin space for use by the Union in each building for posting notices of Union business and activities.

ARTICLE VIII

JOB POSTINGS

A written notice shall be posted on the official bulletin boards and District website indicating openings in regular, monthly, hourly office support positions covered by this Agreement. All postings shall indicate the title, starting and ending date if appropriate, class, hours and location of the position and the person to whom application is made. No job will be filled until this written notice has been posted for one week (seven calendar days) during the school year and ten calendar days during the summer. All vacant and internal positions are posted through the district’s website. Employees can access external and internal positions and apply online through the district website. Administration may hire temporary replacement in emergency situations until a permanent employee is hired.

Any position which is a temporary assignment shall be posted as a permanent assignment when the assignment is made permanent.

ARTICLE IX

REDUCTION IN STAFF

This Article shall apply only to those employees who are affected by staff reduction.

Definitions: Seniority Job Classifications includes two seniority lists: 1) Office Support Staff; 2) Health Assistants.

Job Class means Class A, B, C, D and E; as shown on Appendix A Salary Schedule.

If a scenario not outlined in Article IX Reduction in staff arises, ISD 623 and AFSCME agree to meet and confer to discuss mutually agreed process.

Section 1. Staffing Changes and Process

Building administrators will inform the Human Resources office of staffing needs each spring. When the district effects a layoff in a seniority group, employees shall be laid off in inverse order of the employees' seniority within a seniority group. A part time employee cannot displace a full time employee as defined in the contract under Article 3 Employees' hours. Human Resources will consult with the Exclusive Representative before final staffing decisions are made. Building administrators will then discuss the needs with their building staff and will notify affected employees prior to the end of the school year of any reduction in the employee's hours or the elimination of an employee's position. Reduction of hours and layoffs will be district wide and by seniority group within each identification group listed below. District wide bumping is by seniority rather than by school. A part time employee cannot displace a full time employee as defined in the contract under Article 3 Employees' hours. Human Resources upon receiving this information from the buildings will consolidate this information and notify the Exclusive Representative.

In the event the School Board finds it necessary to eliminate an office support employee or health assistant, the affected employee(s) will be notified of the recommendation by the supervising administrator at the time it is submitted to the Board and notified of Board action within one week of final action.

The affected employee(s) who desire continued employment with the district shall exercise their seniority rights by written notification to the Supervisor of Human Resources within 10 working days of the Board action to eliminate the position. Bumping shall mean the process by which a more senior employee whose position has been reduced may displace a less senior employee and claim the position within that seniority group by identification group. District wide bumping is by seniority rather than by school. A part time employee cannot displace a full time employee as defined in contract Article 3 Employees' hours.

Employees exercising bumping rights will be offered any vacant positions in the appropriate classification before a position is offered which would displace another employee. In no case shall an employee displace any employee with greater seniority.

Seniority list should consist of 1) office support staff with four (4) identification groups; and 2) health assistants. Order of layoff by identification of groups: when the district implements a layoff it will be first by seniority list; second by similar hours/contract days, third within Appendix A class titles C-E. Employees seniority within a seniority group based on the four (4) identification groups is listed below. For reduction of hours and elimination of positions, groups will be separated and identified as follows:

1. Eight hour employees. (See Section 3 subd. 2)
2. Twelve month employees with work calendar being reduced by 60 or more days. (See Section 3 subd. 2)
3. All other benefit eligible employees.
4. All other employees within the AFSCME contract

Section 2. Definition of Seniority

Subd. 1. Definition of Seniority: Seniority for the purposes of this Agreement shall be based on continuous regular and probationary service with the employer, as determined by the employee's initial date of hire in the bargaining unit. Continuous service shall be interrupted only by separation because of resignation from district employment, termination for just cause, failure to return upon expiration from a leave of absence, failure to respond to a recall from layoff, or retirement. Employees rehired after any of these interruptions of service shall acquire seniority from the most recent date of hire.

Subd. 2. Seniority Lists: The seniority lists will include each employee in the order of seniority, the employee's class, hours worked, the employee's date of hire in the bargaining unit, and the building they work in. Bargaining unit employees on leave will remain on the seniority list. There shall be: two seniority lists of office support staff separating into four categories as described in Article IX, Section 1, and health assistants separating into four categories as described in Article IX, Section 1. On November 15 of each year, seniority lists, effective the first day of November, shall be posted by the employer on all employee bulletin boards and the employer shall forward two copies to the Union. The seniority list will include hours worked per day, for information purposes only. When two or more employees have the same seniority date, seniority shall be determined by (a) the earliest date of Board action of employment with the district, and (b) the length of experience in the class in which the tie is being broken.

Section 3. Reduction in Hours

Subd. 1. Hours Reduction:

A. In the event an eight-hour employee's hours are reduced, the employee will have the option to occupy the position of the least senior employee at the same classification class and on the same seniority list; or in the event a 12 month employee has their work calendar reduced by 60 work days or more, the employee will have the option to occupy the position of the least senior employee at the same classification class and on the same seniority list.

When an employee bumps the least senior employee in the same classification they must have the experience and qualifications needed for a position through past experience and/or current qualifications. The timeline for training can be done within a three month period. If time allotted isn't adequate, ISD 623 and AFSCME agree to meet and confer to discuss mutually agreed process.

B. For all other benefit eligible positions or positions covered in this AFSCME contract not included in Section 3 subd. 1, bumping shall be by the position of the least senior employee in the same classification class (Class C-E) and on the same seniority list. District

wide seniority in a process by which a more senior employee whose hours position has been reduced or eliminated may displace a less senior employee and claim the position within the seniority group. District wide bumping is by seniority rather than by school. A part time employee cannot displace a full time employee as defined in Article 3 Employees' hours. (See Section 1 staffing changes for detail.) If the person that is being displaced is the least senior person in their class (Class C-E) and there is nobody else they can bump, they can bump down to the next lower class (Class C-E) and bump the least senior person in the next lower class. They can only bump down if they are the least senior person in their class. If the person being displaced is the least senior person in their class, they shall have the choice of bumping in the next lower class, taking other open positions that may be less hours or less pay or choosing to be laid off. They have a right to refuse the bumping or open positions that are not equal to their position class and pay, and to go on the recall list for the two-year timeline, If they are recalled to their same class and same hours, the recall language takes effect if they refuse the recall.

When an employee bumps down to a lower class they will get the step closest to their current pay. The intent is to maintain similar pay at the lower class. Employees that bump down to a lower class may not have the experience and qualifications needed for a position, that they are able to bump into, shall have the right to a position in a current or lower class, provided the displaced employee has greater seniority than the least senior person at that current or lower class. Employees must be qualified to perform the work available through past experience and/or current qualifications. The timeline for training can be done within a three month period. If time allotted isn't adequate, ISD 623 and AFSCME agree to meet and confer to discuss mutually agreed process.

A person who is bumping or willing to take a position in a lower class (Class C-E) cannot displace or bump someone with more seniority in the same job classification seniority list 1) Office Support Staff or 2) Health Assistants.)

Subd. 2. If additional hours become available:

In the event an employee who is a member of the bargaining group has his/her hours reduced from six or more to fewer than six hours and thus loses district payments toward medical benefits and if additional office support staff or health assistant hours (in area of reduction) become available in that building due to additional staffing allocations, a resignation, or retirement, then the supervising administrator is encouraged to re-instate such hours so that the employee becomes eligible for district paid benefits, i.e., returns to at least six hours per day. Prior to re-instatement of hours the supervising administrator or district administrator will analyze programmatic needs. If the programmatic needs of that

building are such that a reinstatement of hours to that employee would not be in the best interests of the students, then the supervising administrator or district administrator may choose to staff accordingly.

Section 4. Elimination of Position

Subd. 1. Procedures for Position Elimination: In the event it becomes necessary to lay off employees for any reason, employees shall be laid off in the bargaining unit in the inverse order of their seniority, provided all temporary and emergency employees at that class are laid off first. When an employee is laid off due to a reduction in the work force, the employee shall be permitted to exercise seniority rights to a position at the same class on the same seniority list or on any other list previously worked by the displaced employee. Such employees may if they so desire, have the right to a position of the least senior employee in a lower class on the same seniority list or any other list previously worked by the displaced employee.

For the purpose of this section any employee displaced by a laid-off employee shall have the same rights to a position as the laid off employee.

Displaced employees that may not have the experience and qualifications needed for a position, that they are able to bump into, shall have the right to a position in a current or lower class, provided the displaced employee has greater seniority than the least senior person at that current or lower class. Employees retained or recalled must be qualified to perform the work available through past experience or current qualifications. The timeline for training can be done within a three month period. If time allotted isn't adequate, ISD 623 and AFSCME agree to meet and confer to discuss mutually agreed process.

- A. In the event an eight-hour employee's position or a 12 month employee's position is eliminated the employee will have the option to occupy the position of the least senior employee at the same classification class and on the same seniority list.
- B. For all other benefit eligible positions not included in Section 3 subd. 1, bumping shall be by the position of the least senior employee in the same class (Class C-E) and on the same seniority list by district wide seniority in a process by which a more senior employee whose position has been eliminated may displace a less senior employee and claim the position within the seniority group. District wide bumping is by seniority rather than by school. A part time employee cannot displace a full time employee as defined in Article 3 Employees' hours. (See Section 1 staffing changes for detail.) If the person that is being displaced is the least senior person in their class (Class C-E) and there is nobody else they can bump, they can bump down to the next lower class (Class C-E) and bump the least senior person in the next lower class. They can only bump down if they are

the least senior person in their class. If the person being displaced is the least senior person in their class, they shall have the choice of bumping in the next lower class, taking other open positions that may be less hours or less pay or choosing to be laid off. They have a right to refuse the bumping or open positions that are not equal to their position class and pay, and to go on the recall list for the two-year timeline. If they are recalled to their same class and same hours, the recall language takes effect if they refuse the recall.

A person who is bumping or willing to take a position in a lower class (Class C-E) cannot displace or bump someone with more seniority in the same job classification seniority list 1) Office Support Staff or 2) Health Assistants.)

- Subd. 2. **Recall:** Employees who are laid off without work, or working at a reduced salary classification class and/or at reduced hours, shall, after lateral transfer procedures have been satisfied be placed in a recall pool. Recall list with a timeline, in seniority order, employees are called back before vacancy posted and offer a position within a two-year timeline. Once a recall pool employee is rehired or offered an equivalent position with equivalent hours (equal to or greater than previous assignment), then they will be removed from the recall list. At the time the employee refuses a position in the same seniority list at the previous number of hours, their rights under this section shall be terminated.

Prior to posting vacancies, recall employees will be offered vacant position as outlined above. The employer shall post vacancies in all buildings and the District website for seven calendar working days.

- Subd. 3. **Loss of benefits:** If an employee is laid off and thus is ineligible for paid premiums for health insurance, (Article III, Section 7 defines eligible employee) the Board will continue the present class of contribution toward health premiums for one year following layoff and 50% of contribution for the second year. Board contribution will cease after two years or if employee gets a job with another employer where benefits are available. If laid off employee is recalled, then normal eligibility guidelines apply. This does not apply to probationary employees.

ARTICLE X

PHYSICAL EXAMINATION: EMPLOYEES

The Board and the administration may at their discretion require of each new or returning employee a physical examination report as a prerequisite to initial or continuing employment.

ARTICLE XI

LEAVES, VACATION AND HOLIDAYS

Section 1. Short-Term Leaves:

- Subd. 1. Short-term leave shall be without pay.
- Subd. 2. Short-term leave shall be granted only if personal leave has been exhausted or is not available.
- Subd. 3. Short-term leave shall be granted only in extraordinary circumstances as determined by the supervising administrator and the Superintendent or the Superintendent's designated agent.
- Subd. 4. Short-term leave shall be allowed up to 10 working days.
- Subd. 5. Requests for short-term leave shall be in writing to the supervising administrator a minimum of 15 working days prior to the beginning of desired leave. FMLA Summary Information

The Family and Medical Leave Act (FMLA) of 1993, Public Law 103-3

If a discrepancy develops between this summary and federal law, the law will govern.

The Family and Medical Leave Act (FMLA) of 1993, Public Law 103-3, was enacted by the Federal Government on February 5, 1993. FMLA entitles eligible employees to take up to twelve (12) workweeks of unpaid, job protected leave each year for specified family and medical reason.

FMLA applies to all public agencies and many private sector employers. To be eligible for FMLA benefits, an employee **must**:

1. work for a covered employer;
2. have worked for the employer for a total of at least twelve (12) months; and
3. have worked for at least 1,250 hours over the previous twelve months.

A covered employer must grant an eligible employee up to a total of twelve (12) workweeks of **unpaid** leave during any twelve (12) month period for one or more of the following reasons:

1. for the birth or placement of a child for adoption or foster care;
2. to care for an immediate family member (spouse, child, or parent) with a serious health condition; or
3. to take medical leave when the employee is unable to work because of a serious health condition.

Subject to certain conditions, employees or employers may choose to use accrued paid sick leave to cover some or all of the FMLA leave. Under some circumstances, employees may take FMLA leave intermittently, which means taking leave in blocks of time, or by reducing their normal weekly or daily schedule. If FMLA leave is for the birth or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval. FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member or because the employee is seriously ill and unable to work.

A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave.

Upon return from FMLA leave, an employee must be restored to their original job, or to an equivalent job with equivalent pay, benefits and other employment terms and conditions. In addition, an employee's use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to **before** using the FMLA leave.

Military Family Leave Entitlements

Notice: On October 28, 2009, the President signed the National Defense Authorization Act for Fiscal Year 2010 (2010 NDAA), Public Law 111-84. Section 565 of the 2010 NDAA amends the military family leave entitlements of the Family and Medical Leave Act (FMLA). These amendments expand coverage for "qualifying exigency" leave to eligible employees with covered family members in the Regular Armed Forces and coverage for "military caregiver leave" to eligible employees who are the spouse, son, daughter, parent, or next of kin of certain veterans with a "serious injury or illness".

The National Defense Authorization Act for Fiscal Year 2008 (2008 NDAA), Public Law 110-181, amended the FMLA to allow eligible employees to take up to 12 workweeks of job-protected leave in the applicable 12-month period for any "qualifying exigency" arising out of the active duty or call to active duty status of a spouse, son, daughter, or parent. The 2008 NDAA also amended the FMLA to allow eligible employees to take up to 26 workweeks of job-protected leave in a "single 12-month period" to care for a covered service member with a serious injury or illness. These two types of FMLA leave are known as the military family leave entitlements.

Further information on FMLA leave is available on the US Department of Labor web site and at the District's Human Resource office.
