- Subd. 2. Step Advancement: An employee shall receive a salary improvement for each of the two years of this Agreement according to salary schedule in Appendix A.
- Subd. 3. Establishing New Employees Salaries: New hires with no experience will be placed on step 1. New hires with 2 to 3 years of experience will be placed on step 2. New hires with 3 or more years of experience will be placed on step 3. District Information Technology Assistants and Media Technology & Media Assistants may be placed up to the fourth step of salary schedule at the discretion of the employer. A new employee hired after January 1 shall not receive an annual adjustment on the subsequent July 1.
- Subd. 4. Successor Agreement: In the event a successor Agreement has not been executed at the time of the expiration of this Agreement, an employee shall be compensated at the status quo rate and step until such time a new Agreement is executed, which Agreement shall govern the employee's rate and step advancement.
- Subd. 5. Eligibility for Premium Pay: Must be assigned to work as a Special Education Paraprofessional: Note: The district shall have the sole discretion to determine whether a Paraprofessional is placed in such an assignment.

The Special Education Paraprofessional shall have satisfactorily completed specific training or education prescribed or approved by the Director of Student Services. The Director shall have sole discretion to evaluate skills and training acquired by the Special Education Paraprofessional prior to the effective date of this provision, and to deem this requirement to have been fulfilled.

The Special Education Paraprofessional accepts responsibility, after consultation with the case manager, for assisting other Paraprofessionals in developing skills to work with students who have challenging needs.

Those non-special-education Paraprofessionals who perform limited activities related to special education duties would not qualify for the "premium pay".

A Paraprofessional who has satisfied the training and competency requirements and who is assigned to an occasional duty as a substitute for a Paraprofessional receiving premium rate will receive the premium pay (on time card) for the time he/she performs this substitute duty.

Persons receiving premium rate whose assignment changes to non-special-education Paraprofessional will no longer receive the special education premium rate.

If a Paraprofessional has several assignments during the work day, only those hours which are defined as special education duty will receive the premium rate.

Section 2. Pay Days:

- Subd 1. Salary shall be paid on the 15th and 30th or the duty day nearest the 15th and 30th. In the event that the 15th or 30th falls on a weekend or on a holiday, payday shall be on the preceding working day. There will be equal installments paid over the work year for each employee: i.e., no multiple pay off check in June.
- Subd. 2. Hourly time sheets shall be turned in twice a month, on the 15th and the 30th. If time sheets are received on time, hourly employees will be paid on the 30th of the month for hours worked from the 31st of the preceding month through the 15th, and will be paid on the 15th of the month for hours worked from the 16th through the 30th of the preceding month.

The School District shall keep the Union informed as to the names of the members of the Committee.

ARTICLE V

Probationary Period: A new employee under the provisions of this Agreement shall serve a probationary period of one full working contract year of continuous service in the school district during which time the school district shall have the unqualified right to suspend without pay, discharge or otherwise discipline such employee; and during this probationary period, the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated. An employee hired prior to January 1, will receive a step increase the following year.
- Section 2. Probationary Performance Evaluation: A probationary performance evaluation will be scheduled during the first year to determine if an employee has successfully completed the probationary period. Employees shall be given the opportunity to add their written comments if they so desire.
- Section 3. Post-probationary Performance Evaluation: Regular employee/ supervisor communication is encouraged to give the employee direction toward continuous improvement of job performance. Employees that successfully complete their probationary period will receive summative performance evaluations at least once every five years, along with employee/supervisor communication to give the employee direction toward continuous improvement of job performance. ARTICLE VI

STAFF DEVELOPMENT

- Section 1. Staff Development Program: Purpose: To encourage improvement of general and specific competencies related to the duties of a Paraprofessional or DITA. Implementation: Staff development will be encouraged in the following ways:

- Subd. 2. Attendance by representative Paraprofessional/DITA at national, state and local area conferences as authorized by the administration from funds identified for that purpose.
- Subd. 3. Training On Equipment: Employees whose responsibilities include the physical management of students with disabilities and/or operation of equipment/software programs, the employee shall be trained on the employer's time and at the employer's expense.
- Subd. 4. When district technology is upgraded, the district will provide training to bring Paraprofessionals and DITA up to standard, at employer's time and expense.
- Subd. 5. If a supervisor requires attendance at a district provided training during non-duty hours, that time will be time-carded.
- Subd. 6. When new techniques or procedures for students with disabilities emerge, adequate training and follow-up will be provided.

ARTICLE VII

DISCIPLINE

- Section 1. The employer may discipline an employee only for just cause. Discipline, when administered, may be progressive, the specific level of discipline chosen is solely within the discretion of the school district. Circumstances surrounding each individual case will affect the level chosen. Normally the employer will utilize the levels for discipline in the order listed below.
1. Verbal Notification
 2. Written Reprimand
 3. Written Notice of Deficiency
 4. Suspension
 5. Termination
- Section 2. An employee called in for a disciplinary conference shall be informed in writing of their right to have a union representative present.
- Section 3. Prior to discharging an employee, the employer shall notify the employee and the union of the reason(s) for the discharge and the effective date thereon. The employee may request an opportunity to hear the evidence against him/her and to present her/his side of the story to the employer's representative. The employee is entitled to have the union representative at this meeting, if the employee requests such representation. The right to such meeting shall expire at the end of the next scheduled work day of the employee after notice of discharge is delivered to the employee, unless the employer and the employee agree otherwise. The discharge shall not become effective during the period when the meeting may occur.
- Section 4. A copy of the written reprimand to an employee covered by this agreement may be forwarded to the union at the request of the employee.
- Section 5. An employee, other than a probationary employee, may appeal a disciplinary matter through the contractual grievance procedure.

ARTICLE VIII

DUES CHECKOFF/UNION SECURITY

- Section 1. Right to Views: Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any employee or representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative.
- Section 2. Right to Join: Pursuant to P.E.L.R.A., employees shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations.
- Section 3. Request for Dues Check-Off: The Exclusive Representative shall be allowed dues checkoff for its members, provided that dues checkoff and the proceeds thereof shall not be allowed to any exclusive representative that has lost its right to dues checkoff, pursuant to P.E.L.R.A. Upon receipt of a properly executed authorization card of the employee involved, the school district will deduct from the employee's paycheck the dues that the employee has agreed to pay to the employee organization. Dues shall be deducted in equal installments on the 15th and 30th day of each month. The aggregate deductions for all employees shall be remitted, together with an itemized statement, to the Treasurer of the Local Union within 15 days of such deduction. Deductions shall not be made for less than 12-month employees for the months they are not employed by the school district.
- Section 4. Information: District will provide a monthly (October – May) report to both the Union's AFSCME representative and the Union president. One additional report will also be provided just prior to the Back to School Workshop. Said report will be comprised of the names of those employees in the bargaining unit, along with title and location, mailing addresses on record, current hourly rates of pay, number of hours worked, and date hired. District will include sick leave bank hours in the monthly October-May reports and before back to school report to the union.
- Section 5. Bulletin Boards: The employer shall provide reasonable bulletin space for use by the Union in each building for posting notices of Union business and activities.
- Section 6. Union Stewards: The Union may designate certain employees from the bargaining unit to act as stewards and shall notify the Employer, in writing, when elected officials are chosen.

ARTICLE IX

JOB POSTINGS

- Section 1. Vacancies: In the event a vacancy occurs within this unit the district will post the vacancy for a period of seven calendar days during the school year and 10 calendar days during the summer.
- Subd. 1. The vacancy notice will be sent to the Union Field Representative, posted in each district building, and posted on the district's website.
- Subd. 2. Employees desiring to transfer to a vacant position within the bargaining unit shall notify, in writing, the Supervisor of Human Resources.
- Subd. 3. All postings shall indicate the title, starting and ending date if appropriate, hours and location of the position and the person to whom application is made.

Section 2. Summer Openings: If a school year job opening occurs during the summer months when employees are not normally on duty, the district will notify the Union Field Representative and the employees in the following manner:

Subd. 1. The vacancy notice will be sent to the Union Field Representative, posted in each district building, and posted on the district's website. Employees interested in vacant and internal postings can view and apply for positions through the district website.

Section 3. Summer School: Posting for summer positions will be made available as jobs are identified. All summer school positions are posted on the district's website. Employees interested in vacant and internal postings can view and apply for positions through the district website. The best qualified candidate from all candidates shall be offered the job. Extended School Year summer position postings will include the rate of pay, as well as information regarding the eligibility for the additional \$2.00 per hour for completing the District Special Education training.

ARTICLE X

REDUCTION IN STAFF

Section 1. Staff Reductions: Staff reductions, when necessary, will be made by the supervising administrator keeping in mind the best interests of the students, staff, and program.

Subd. 1. Supervising administrators will inform Human Resources of staffing needs each spring. Human Resources will consult with the Union Field Representative before final staffing decisions are made. Supervising administrators will then discuss the needs with their building staff and will notify affected employees prior to the end of the school year of any reduction in the employee's hours or the elimination of an employee's position. Human Resources upon receiving this information from the buildings will consolidate this information and notify the Union Field Representative.

Subd. 2. Definition of Seniority: Seniority for the purposes of this Agreement shall be based on continuous regular and probationary service with the employer, as determined by the employee's initial date of hire in the paraprofessional bargaining unit. Continuous service shall be interrupted only by separation because of resignation from district employment, termination for just cause, failure to return upon expiration from a leave of absence, failure to respond to a recall from layoff, or retirement. Paraprofessionals on leave will remain on the seniority list. Employees rehired after any of these interruptions of service shall acquire seniority from the most recent date of hire.

Subd. 3. Seniority Lists: The seniority lists will include each employee in the order of seniority, the employee's class, hours worked, the employee's date of hire in the paraprofessional bargaining unit, and the building they work in. There shall be three separate seniority lists: one for paraprofessionals, one for District Information Technology Assistants/Media Technology & Testing Assistants, and one for Spanish required positions at Dual Language Immersion sites. Language within Article X, Reduction in Staff, will apply these lists. On or before November 15 of each year, seniority lists shall be posted by the employer on all employee bulletin boards and the employer shall forward two copies to the Union. The seniority list will include hours worked per day, for information purposes only. When two or more employees have the same seniority date, seniority shall be determined by (a) the earliest date of Board action of employment with the district, and (b) the length of experience in the class in which the tie is being broken.

Subd. 4. Criteria to be considered when determining staff reductions:

- A. Impact on student needs
- B. Programmatic needs
- C. Funding
- D. Length of employment on site and/or in district
- E. Employees with fewer than four years of continuous experience in the district shall be considered for staff reductions before persons with four or more years of continuous service in the district. If employees over 4 years need to be reassigned to another building, it will be done by seniority.
- F. Employees who have been employed for 1, 2, or 3 years will be offered positions held by probationary employees if their position is eliminated. Within a building, probationary employees will be laid off before any non-probationary employee.

Subd. 5. Employees in layoff shall be considered to automatically bid for all posted or new positions within their pay classification.

Subd. 6. Bumping shall mean the process by which a more senior employee whose position has been "reduced" may displace a less senior employee and claim the position within that seniority group. District wide bumping is by seniority rather than by school. A part time employee cannot displace a full time employee as defined in the contract.

Subd. 7. Order of layoff: when the district effects a layoff in a seniority group, employees shall be laid off in inverse order of the employees seniority within a seniority group. The employee having the least level of seniority in a listed seniority group will be the first laid off.

Subd. 8. Employees who are affected by subdivision 2 and whose positions are eliminated will be placed in a recall pool. Recall list with a timeline, in seniority order, employees are called back before posted and offered a position within a 2 year timeline. Once a recall pool employee is re-hired or offered an equivalent position with equivalent hours (equal to or greater than previous assignment), then they will be removed from the recall list. At the time the employee refuses a position in the same seniority list at the previous number of hours, their rights under this section shall be terminated.

Subd. 9. Staff reduction decisions may be appealed in writing to the Superintendent or a designee:

Staff Reduction: In the event a Paraprofessional, DITA or MTTA who is a member of the Paraprofessional/DITA/MTTA bargaining group has his/her hours reduced from six or more to fewer than six hours and thus loses district payments toward medical benefits and if additional Paraprofessional, DITA or MTTA hours (in area of reduction) become available in that building due to additional staffing allocations, resignations or retirements, then the supervising administrator is encouraged to re-instate such hours so that the Paraprofessional, DITA or MTTA becomes eligible for district paid benefits, i.e., returns to at least six hours per day. Prior to re-instatement of hours the supervising administrator will analyze programmatic needs. If the programmatic needs of that building are such that a re-instatement of hours to that Paraprofessional, DITA or MTTA would not be in the best interests of the students, then the supervising administrator may choose to staff accordingly.

Subd. 10. ECFE/Pre-K Paraprofessionals: Staff reductions during the school year due to low enrollment will be notified one week in advance if a reduction in hours or layoff is

possible. If Paraprofessional hours are cut due to low class enrollment or reorganization, if/when new hours become available, staff who have been cut will be offered the hours first as they become available.

Section 2. Voluntary Transfers: Employees may apply for voluntary transfers to an available opening.

Section 3. Priority to Vacancies: Employees who have completed at least four years of continuous work in this unit shall have priority to vacancies in the event of staff reduction. Vacancies shall be listed as either full-time or part-time. A full-time employee need not apply for a part-time position and may retain a priority right to vacancies. A part-time employee need not apply for a full-time position and may retain a priority right to vacancies.

ARTICLE XI

LEAVES OF ABSENCE

Section 1. Sick Leave:

- Subd. 1. Full-time employees shall earn sick leave at the rate of 15 days for each year of service in the employ of the school district. Part-time employees (those working between 14 and 30 hours per week) shall earn 15 prorated days of sick leave per year; i.e., a four hour/day employee would receive 15 four hour days or 60 hours of sick leave. ECFE/Pre-K Paraprofessionals will earn 10 prorated days of sick leave per year. Annual sick leave shall be credited on the first day of each contract year to each employee.
- Subd. 2. Unused sick leave days may accumulate to a maximum of 215 days of sick leave per employee.
- Subd. 3. If an employee is absent for personal illness in excess of three days, the school district may require that the illness be certified by the attending physician and permission given by the physician for the employee to return to work.
- Subd. 4. Sick leave allowed shall be deducted from the accrued sick leave days earned by the employee.
- Subd. 5. Sick leave pay shall be approved upon submission of signed request upon the authorized sick leave pay request form available at the office.
- Subd. 6. Sick leave may be utilized during a period of physical disability resulting from a condition of pregnancy. The employee shall provide the district with a physician's statement certifying the dates of disability.
- Subd. 7. Up to five days of sick leave may be used by a father or a non child-bearing co-parent upon the birth of a child.
- Subd. 8. Sick leave may be used for surgery only in emergencies as declared to exist by the attending physician. Surgery should be planned for vacation periods. Sick leave may be used for emergency medical/dental work only. Routine medical/dental work should be planned for outside of school hours.
- Subd. 9. When employees have used up their sick leave, and before income protection takes effect, and after a 10-consecutive work day period without pay, the school board shall

upon certification by a physician of inability to carry out their assigned duties, pay the employees one-half of the salary in effect at the time the absence began and until the 60-workday waiting period for income protection has elapsed.

Subd. 10. Sick leave is to be used to cover the personal illness of the employee. Also emergencies or illness in the immediate family (Immediate family includes spouse/domestic partner, child, or parent/comparable in-laws.) Days used shall be deducted from sick leave.

Subd. 11. Up to eight hours of sick/emergency leave may be used per school year for activities related to the employee's family, provided such activities cannot be scheduled outside of the employee's duty day.

Section 2. Emergency Leave: Emergency leave, the days used to be deducted from sick leave, may be used pursuant to this Section.

Subd. 1. Up to but not to exceed five days with full pay shall be allowed for absence due to death of a spouse, child (including step-children, foster children, or children under legal guardianship), siblings or parents (including step-parents or step-siblings) and up to but not to exceed two days with full pay shall be allowed for absence due to death of grandparents (including step-grandparents) and comparable in-laws to persons listed above.

Subd. 2. One day of absence due to illness of a spouse or a critical family situation where no other arrangements are possible may be approved by the supervising administrator, with any additional day(s) of absence to be approved by the Superintendent or the Superintendent's designated agent.

Subd. 3. One day for critical situations not covered previously making it impossible for the employee to report for work may be allowed as determined by the Superintendent or the Superintendent's designated agent. Bad weather in the local area or poor driving conditions are not considered a legitimate excuse for a day when school is in session.

Section 3. Subpoenaed Court Appearance:

Subd. 1. If an employee is required to appear in court as a result of involvement in matters related to school duties, neither sick nor emergency leave shall be deducted.

Subd. 2. Absence of an employee due to court action initiated by the employee or an organization, of which an employee is a member for personal, monetary or other gains shall require use of personal leave. If no personal leave is available, the employee may make application for short-term leave.

Subd. 3. An employee required by the court to appear in non-school related cases not covered in Subdivision 2 shall have emergency leave available.

Subd. 4. Requests for exception to such deductions shall be submitted in writing to, and subject to the approval of the Superintendent or the Superintendent's designated agent.

Subd. 5. To the extent that per diem payments are received, the salary paid shall be reduced in like amount.

Subd. 6. Employees subpoenaed to serve on jury duty shall not have monies or leave time deducted for the days served. The per diem amount paid by the court for such service minus expenses shall be remitted to the district.

Section 4. Personal Leave: Personal Leave shall be earned at the rate of 2 days per year. Employees who have been with the district for more than ten years will receive one extra personal day per year. There will be no salary deduction for personal leave time used. Personal Leave may be taken in hourly increments.

Subd. 1. Requests to the supervising administrator shall normally be made at least five working days in advance of the anticipated absence.

Subd. 2. The request shall be granted only after a competent substitute has been secured or other arrangements have been made to meet work needs during the day(s) absent.

Subd. 3. Annual Personal Leave Reward: Employees working 30 hours a week or more for a full contract year are eligible for an annual personal leave reward. For those who do not use any personal days will have a district contribution of \$200 based on FTE into their Health Care Savings Plan.

The reward will be deposited into the individual employee's Health Care Savings Plan at the end of the school year.

Section 5. Short-Term Leaves:

Subd. 1. Short-term leave shall be without pay.

Subd. 2. Short-term leave shall be requested only if personal leave has been exhausted or is not available.

Section 2. Representative: The employer may be represented during any step of the procedure by any person or agent delegated by such party to act in its behalf. The employees may designate only the Exclusive Representative to act on their behalf. The Union will be notified of any grievance resolution reached with individual employees.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual written agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it bears a dated postmark of the United States mail within the time period.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School Board's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within 20 days after the date the event giving rise to the grievance occurred. An effort shall first be made to adjust an alleged grievance informally between the employee and the School Board's designee.

The request shall ask that the appointment be made within 30 days after the receipt of said request. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally, fees and expenses of the arbitrator, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. The cost of a transcript, if requested, shall be at the expense of the requesting party.

FMLA Summary Information

The Family and Medical Leave Act (FMLA) of 1993, Public Law 103-3

If a discrepancy develops between this summary and federal law, the law will govern.

The Family and Medical Leave Act (FMLA) of 1993, Public Law 103-3, was enacted by the Federal Government on February 5, 1993. FMLA entitles eligible employees to take up to twelve (12) workweeks of unpaid, job protected leave each year for specified family and medical reason.

FMLA applies to all public agencies and many private sector employers. To be eligible for FMLA benefits, an employee **must**:

1. work for a covered employer;
2. have worked for the employer for a total of at least twelve (12) months; and
3. have worked for at least 1,250 hours over the previous twelve months.

A covered employer must grant an eligible employee up to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for one or more of the following reasons:

1. for the birth or placement of a child for adoption or foster care;
2. to care for an immediate family member (spouse, child, or parent) with a serious health condition; or
3. to take medical leave when the employee is unable to work because of a serious health condition.

Subject to certain conditions, employees or employers may choose to use accrued paid sick leave to cover some or all of the FMLA leave. Under some circumstances, employees may take FMLA leave intermittently, which means taking leave in blocks of time, or by reducing their normal weekly or daily schedule. If FMLA leave is for the birth or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval. FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member or because the employee is seriously ill and unable to work.

A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave.

Upon return from FMLA leave, an employee must be restored to their original job, or to an equivalent job with equivalent pay, benefits and other employment terms and conditions. In addition, an employee's use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to before using the FMLA leave.

Military Family Leave Entitlements

Notice: On October 28, 2009, the President signed the National Defense Authorization Act for Fiscal Year 2010 (2010 NDAA), Public Law 111-84. Section 565 of the 2010 NDAA amends the military family leave entitlements of the Family and Medical Leave Act (FMLA). These amendments expand coverage for "qualifying exigency" leave to eligible employees with covered family members in the Regular Armed Forces and coverage for "military caregiver leave" to eligible employees who are the spouse, son, daughter, parent, or next of kin of certain veterans with a "serious injury or illness".

The National Defense Authorization Act for Fiscal Year 2008 (2008 NDAA), Public Law 110-181, amended the FMLA to allow eligible employees to take up to 12 workweeks of job-protected leave in the applicable 12-month period for any "qualifying exigency" arising out of the active duty or call to active duty status of a spouse, son, daughter, or parent. The 2008 NDAA also amended the FMLA to allow eligible employees to take up to 26 workweeks of job-protected leave in a "single 12-month period" to care for a covered service member with a serious injury or illness. These two types of FMLA leave are known as the military family leave entitlements.

Further information on FMLA leave is available on the US Department of Labor web site and at the District's Human Resource office.
