If multiple employees are entering the bargaining unit on the same day, seniority shall be assigned by a lot draw. A seniority list shall be provided on October 1 of each year with employees placed on the list by their total continuous accumulated days, months, and years and sent to the Union.

Section 2. Seniority Accrual. Seniority shall continue to accrue during periods of paid or unpaid sick leave, workers compensation, vacation, approved leave of absence, summer recess and for a period of up to one (1) year while the employee is on lay off.

Section 3. Job Classification. For the purpose of this Contract, existing job classifications are listed on "Attachment D," unless increased or decreased at the discretion of the Board. Compensation for any new classification that the Board might establish shall be a subject of bargaining with the Union.

For purposes of layoff and bumping, seniority shall govern, except that an employee cannot bump into a higher classification, unless the employee is determined by the District to be qualified for the position.

Administration shall have forty-five (45) working days to determine whether the reassigned employee is capable of performing the duties of the new job in a satisfactory manner. Leaves of absence, including sick leave and vacation days, will not be counted toward the forty-five (45) working days. If the Administration determines that a reassigned employee is not capable of performing the duties of the new job and the employee is removed from that job, such employee shall revert to his/her former position on the seniority list.

An employee on layoff or reduction in hours shall have the following rights and benefits.

Section 5. Recall. When it becomes necessary to recall employees from layoff, employees shall be rehired in reverse order of layoff by seniority; provided, however, that the employee is qualified in the judgment of the Administration for the position available.

All employees recalled shall report for work within twenty-one (21) calendar days after notification, in addition these employees must respond within seven (7) working days after notification. If the recalled employee returns to his or her former position, this forty-five (45) working day period shall not apply. However, in

the event an employee on layoff substitutes in the same job classification from which they were laid off for 45 consecutive calendar days or more, said employee shall be granted a new date of layoff upon completion of the substitute work. Employees on layoff substituting in their same job classification shall be paid at the current rate of pay for that job classification, subject to the years of experience earned prior to layoff. Rates of pay for employees on layoff subbing in other job classifications will be governed by Article 20, Section 5.

School administrators may, however, take an additional forty-five (45) working days if deemed necessary prior to making the final decision. Leaves of absence, including sick leave and vacation days, will not be counted toward the forty-five (45) working days.
