Such employee shall then be eligible to receive sick leave benefits in the same manner as is provided for any other ill or disabled County employee during the remaining period of pregnancy and until such time as the employee is certified able to return to work by her attending physician.

return at the same seniority in the salary schedule, will retain promotion rights and will earn vacation schedule seniority for leave under this paragraph. When there are fewer than three (3) months between periods of leave of absence under this section for the same illness or accident, the periods of absence will be added together to determine the length of leave that may not exceed two (2) years, except that this restriction will be reduced from three (3) months to thirty (30) calendar days for employees receiving Workers' Compensation. Existence and extent of illness or disability must be verified by a written statement from an appropriate authority when requested by the department head or designee, or the Human Resources Department.

9.7 An employee that has satisfied the elimination period for either short term or long term disability may, at the employee's option, retain a sick leave bank of up to eighty (80) hours when the employee begins an unpaid medical leave, provided the employee has a bank of paid sick leave hours remaining after satisfying the elimination period.

- (1) An employee with a paid sick leave bank of eighty (80) hours or less after satisfying the elimination period for either short or long term disability may elect to retain either all or none of their remaining sick leave bank.
- (2) If the employee elects to retain a sick leave bank, the employee may not use any time from that bank until the employee returns from unpaid medical leave.
- (3) If the employee does not return from unpaid medical leave, the time retained in the employee's sick leave bank will be lost to the employee, such that the employee will receive no compensation for the retained sick leave.

In any other circumstances except those described above, employees will continue to be required to use all paid sick leave prior to going on an unpaid medical leave of absence, in accordance with 9.6.

9.8 An employee who is granted a leave of absence without pay for illness or disability shall be accorded an unqualified right to be reinstated to:

- (1) Their former position in their department if the absence is for sixty (60) calendar days or less, or
- (2) a position in their department in the classification held at the time the leave started, if the absence is longer than sixty (60) calendar days, except in either case when all positions in such class have been abolished.

9.9 If all positions in the classification in the department have been filled, in order to accommodate a person who returns to work after illness, the employee with the least amount of seniority in the department in the classification shall vacate their position subject to any eligibility for transfer or reduction that they may have acquired under this Agreement.

This additional sick leave shall be granted in an amount equal to and not exceeding the difference between any Workers' Compensation payments and eighty percent (80%) of the employees' normal daily wage.

If their recovery is not complete by the end of the period described in paragraph (1) of Article 9.13, employees shall use their own accumulated sick leave to make up the difference between any Workers' Compensation payment made and eighty percent (80%) of the employee's normal daily wage.

In the event an employee absence due to a work related injury does not qualify for Workers' Compensation solely because of a statutory waiting period, each day of said absence shall be considered as "a day for which Workers' Compensation benefits are paid" under the provisions of this section.

In no event shall this section be construed or operate to permit an employee to receive a combined wage and Workers' Compensation payment exceeding 80% of the employee's normal daily wage.

Any such employee unable to resume the duties of his or her position within or at the end of the recovery period, and on the exhaustion of accumulated normal sick leave, shall be eligible for the sick leave without pay provisions of this contract.

- 9.14 Sick leave may be used in quarter-hour (1/4) increments.

- 10.3 Any employee who is laid off, discharged, retired, or separated from the service of the Employer for any reason, prior to taking their vacation, shall be compensated in cash for the unused vacation they have accumulated at the time of separation.
- 10.4 Employees with an accumulation of sick leave credits in excess of one hundred and eighty (180) days (1,440 hours), may convert excess days to vacation at the rate of two (2) days' sick leave to one (1) day vacation but not to exceed five (5) days in any calendar year.
- 10.5 Each provisional, probationary and permanent employee shall be granted vacation with pay for each full month of actual service rendered on the following basis. Vacation accrual will be based on actual hours on paid status in a pay period. There will be no loss in accrual for unpaid union leave up to forty (40) hours per pay period for no more than two (2) consecutive pay periods:

<u>Number of years of Employment</u>	<u>Accrual in hrs. per pay period</u>	<u>Yearly Accrual in hours</u>	<u>Maximum Accrual</u>

- b) Advanced vacation may not be placed in the employee's accrued vacation balance.
- c) Advanced vacation hours must be immediately repaid from future vacation accruals. If an employee leaves County employment before all hours are repaid, the dollar value of the hours will be deducted from the employee's final check. If there are not sufficient funds, the employee will be required to repay the County the value of those hours.
- d) All advanced vacation must be repaid to the County before any future vacation advancement requests will be considered.
- e) An employee may not have more than 40 vacation hours advanced to him/her at any time.
- f) Vacation hours advanced do not increase the employee maximum accumulation of vacation. The provisions regarding maximum vacation in Articles 10.6 and 10.7 continue to apply.
- g) An employee may not donate advanced vacation hours to another employee. An employee may not be required to request that vacation hours be advanced to them, before being eligible to receive donated hours.

10.10 Adjustments to Initial Vacation Accrual – Credit for Previous Service

The appointing officer may, at their discretion, recommend to the Director of Human Resources (or designee), that a new hire be given credit for length of service for all or a portion of any employment experience directly related to the position to which the employee is being appointed or to match the current vacation accrual provided by the employee's most recent employer. The recommendation must be made in writing and be based on the appointing officer's assessment of the employee's qualifications beyond the minimum requirements, recruitment considerations or service accrual provided by the employee's previous employer. The appointing officer must submit documentation of the qualifying service with the recommendation. At his/her discretion, the Director of Human Resources may authorize length of service credit for all, none, a portion of the related experience, or the practice of the previous employer. This length of service credit, plus the employee's subsequent actual length of service with the County, will be the basis for future vacation accrual determinations. No additional length of service credit for qualifications obtained prior to County employment shall be granted after initial appointment to the County.

Under such circumstances, the County Manager may approve overtime at a straight-time rate for exempt employees who have been assigned to work hours in excess of their regular schedule. With prior approval from the county manager exempt employees may also be allowed to earn overtime at the rate of time and one-half (1 and ½). Overtime approved shall be accrued in the form of compensation or compensatory time off, at the discretion of the County Manager. Circumstances under which overtime may be earned at the time and one-half (1 and ½) rate include, but are not limited to:
- (a) circumstances in which the proposed overtime compensation is necessary based on established community practices, or
 - (b) circumstances which constitute a state of emergency as determined by the County Manager. The County Manager's approval shall be contingent upon receipt of appropriate evidence from the department head, documenting the circumstances, which warrant overtime payment at the time and one-half (1 and ½) rate.
- 14.2 Required Approval for Overtime Work. All overtime work must be given prior approval by the employee's department head or the department head's designee, except that overtime work required in order to respond to an emergency situation may be approved after the fact.

ARTICLE 15 GRIEVANCE PROCEDURE

- 15.1 Definition of Grievance - A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. An employee has the right to proceed under non-union remedies in the County Personnel Law and Rules. An employee may not employ both the grievance procedures under this Article and non-union remedies for the same grievance.
- 15.2 Organization Representatives - The County will recognize representatives designated by the Union as the grievance representative of the bargaining unit having the duties and responsibilities established by this Article.
- 15.3 Processing of Grievance - It is recognized and accepted by the Union and the County that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employees duties and responsibilities. The aggrieved employee's representative, if an employee, shall be allowed a reasonable amount of time without loss in pay, to investigate a grievance, and present grievances to the County during normal working hours provided the employee and the employee representative have notified the designated supervisor.
- 15.4 Grievance Procedure - Grievances shall be processed in the following manner:
- Step 1. The union steward, with or without the employee, shall take up the grievance or dispute with the employee's immediate supervisor within ten (10) work days of the employee's knowledge of its occurrence. The supervisor shall then attempt to adjust the matter and shall respond to the steward within five (5) work days.
- Step 2. If the grievance is not settled in Step 1, it shall be referred in writing to the department head or designee within ten (10) working days after the designated supervisor's answer in Step 1. The department head or designee shall discuss the grievance within ten (10) work days with the employee and the Union representative at a time mutually agreeable to the parties. The department head or designee shall give written answer to the Union within (10) work days following their meeting.
- Step 3. If the grievance is not settled in Step 2 and the Union desires to appeal, it shall be referred by the Union in writing to the Director of Human Resources or designee within ten (10) work days after the department head or designee's answer in Step 2. A meeting between the Director of Human Resources or designee, the department head or representative, the employee, and the Union shall be held ten (10) work days following the Union request for a Step 3 meeting at a time mutually

ARTICLE 15 GRIEVANCE PROCEDURE (Continued)

agreeable to the parties. At this meeting all pertinent facts shall be presented by the Union and the Employer. The Director of Human Resources or designee shall give the Employer's written answer to the Union within ten (10) work days following this meeting.

Step 4. Arbitration - If the grievance is not settled in Step 3, and the Union wishes to refer the grievance to arbitration, the Union shall inform the employer of its intent to arbitrate within ten (10) working days after the Union's receipt of the employer's written answer in Step 3. The Union and the employer will then select an arbitrator either under the alternate striking provisions of Minnesota Statutes 179A.21, Subdivision 2, or by another method mutually agreeable to the Union and the employer.

- (a) The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of the contract. The arbitrator shall consider and decide only the specific issues(s) submitted in writing by the County and the employee and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- (b) The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs, by the parties, whichever be later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.
- (c) The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the County and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

15.5 Waiver - If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits or any agreed extension, the grievance should be considered settled on the basis of the Union's requested relief. The time limit in each step may be extended by mutual written agreement of the County and the employee Union in each step. The term "days" as used in this Article shall mean the days Monday through Friday inclusive, exclusive of holidays.

15.6 Grievance Representative - Employees presenting a grievance under Step 2 shall be represented by a representative of the Union.

ARTICLE 15 GRIEVANCE PROCEDURE (Continued)

- 15.7 Records - All documents, communications and records dealing with a grievance shall be filed separately from the personnel files of the involved employee(s).
- 15.8 Discipline in the form of a written reprimand, withholding of salary increase, suspension or discharge shall be in writing. An employee receiving such discipline may submit the disciplinary action to the grievance procedure beginning at Step 2, or appeal the disciplinary action through the non-bargaining grievance procedures provided under the Ramsey County Personnel Act and Personnel Rules. An employee may not use more than one of these procedures in appealing a disciplinary action. The Employer shall not administer discipline unless the employee has had an opportunity to have a representative of the Union present.
- 15.9 Discharge. The Employer shall not discharge any permanent employee without just cause. If the Employer feels there is just cause for discharge, the employee shall be notified, in writing, that the employee is to be discharged and shall be furnished with the reason(s) therefore and the effective date of the discharge. The employee may request an opportunity to hear an explanation of the evidence against him/her, to present his/her side of the story and is entitled to union representation at such meeting, upon request. The right to such meeting shall expire at the end of the next scheduled work day of the employee after the notice of discharge is delivered to the employee unless the employee and the Employer agree otherwise. The discharge shall not become effective during that period when the meeting may occur. The employee shall remain in pay status during the time between the notice of discharge and the expiration of the meeting. However, if the employee was not in pay status at the time of the notice of discharge, for reasons other than an investigatory suspension, the requirement to be in pay status shall not apply.

ARTICLE 16 SENIORITY

- 16.1 Seniority means an employee's length of continuous service by classification and from their date of hire.
- 16.2 Classification Seniority. Classification seniority is defined as the length of continuous service in a specific job classification within any AFSCME bargaining unit to which the classification is common.
- When an employee returns to a previously held classification or exercises bumping rights under Article 17.2, classification seniority in that class shall include seniority in all non-supervisory equal or higher classifications in which the employee has served.
- 16.3 Departmental preference shall be recognized for promotions.
- 16.4 In the event there is a tie in classification seniority it shall be broken in the following manner:
- (1) Continuous time within the bargaining unit.
 - (2) Continuous time within the County.
 - (3) Position on certification list.
- 16.5 On March 1st the Employer shall establish departmental and bargaining unit seniority lists showing the continuous service of each employee by classification. There shall be a separate list for intermittent employees. If there is a grievance relating to seniority or a layoff, additional seniority lists shall be produced. A copy of the seniority lists shall be furnished to the Union when it is posted.
- 16.6 Breaks in Continuous Service. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, and retirement.
- 16.7 An employee promoted or transferred to a new, equal or higher classification shall have the option of returning to their former classification if such employee fails probation whether their promotion is within the bargaining unit or to another position of employment provided by the Employer. In addition, during the probationary period an employee may return to their former classification upon request with the approval of the departments affected.

ARTICLE 17 WORK FORCE

- 17.1 Any vacancy or newly created position in a department will be posted in a conspicuous place in the department where the employees within the bargaining unit work. Such notice shall be posted for at least five (5) work days prior to the filling of such vacancy or newly created position.

Employees with the same classification excluding intermittent employees, may indicate their interest in the vacancy or newly created position by submitting written application prior to the expiration date of the posting. All employees within the same classification and department who apply for this position will be interviewed for the vacancy.

Prior to filling a vacancy or newly created position, the employer will give reasonable consideration to the senior qualified employee who has requested reassignment to the vacant or newly created position.

- 17.2 a) In the event it becomes necessary to lay off employees for any reason, employees shall be laid off in the inverse order of their seniority within the classification, provided all temporary and provisional, and intermittent employees, in that classification, in that order, are released first. No permanent position shall be eliminated until all emergency, temporary and provisional employees in the same classification are released. All career development ladders shall be treated as one classification for the purpose of the application of this Article.

When an employee is subject to layoff, the employee shall be assigned to an open position in that classification in the department employed. If no open position exists in the department, the junior employee in the classification in the affected department shall be subject to the following:

- (1) The junior employee shall be assigned to an open position in the classification in another department within the bargaining unit. If no open position exists in the classification, then;
- (2) The employee shall be assigned to the position occupied by the junior bargaining unit employee in the classification, and the junior employee in the classification shall be laid off. When there are vacant positions to be filled, employees displaced shall choose an assignment to the vacated positions based on classification seniority. Displaced employees, by class seniority, shall make a decision as to available positions within twenty-four (24) hours of notification or forfeit their right to such seniority consideration.
- (3) Employees shall be permitted to exercise their seniority rights to any classification previously held before being subject to layoff.
- (4) If a permanent employee in an AFSCME bargaining unit is laid off, the employee would

ARTICLE 17 WORKFORCE (Continued)

have rights to a vacant position within the same classification within other AFSCME bargaining units, subject to completion of probationary period.

- (5) No employee's regular hours of work will be reduced as the result of using "free labor".

"Free labor" is defined as volunteers, community service people, restitution workers, etc.

- (6) Employees shall be recalled from lay off according to their seniority. No new employees shall be hired in the classification until all employees on layoff status desiring to return to work have been recalled.

- (b) Employees no longer working for the County will remain eligible for reinstatement from layoff status for a minimum of two years from the date of their layoff. After this initial two-year period, eligibility for reinstatement from layoff shall be extended each year that the employee notifies Human Resources of their continuing interest in reinstatement up to a maximum of ten years. Such notification of continuing interest shall be in writing to the Director of Human Resources and shall be made within 60 days following the anniversary date of the employee's layoff and include a current address and phone number of the employee on layoff. If no notice is received the employee's name will be removed from the recall list and the employee will no longer be eligible for reinstatement. After ten years the laid-off employee's eligibility for reinstatement shall expire.

It is the responsibility of the employee on lay-off to keep a current address and phone number on file in Human Resources any time such contact information changes. Inability to contact the employee caused by the employee's failure to update their address or phone number will result in the employee losing their eligibility for reinstatement.

- 17.3 An employee appointed to a position in another Ramsey County AFSCME bargaining unit or other non-supervisory Ramsey County bargaining unit, shall maintain their AFSCME bargaining unit seniority in all job classifications in which the employee has been employed. The employee may return to the bargaining unit and may exercise their AFSCME bargaining unit seniority in any previously held class if subsequently laid off from a position in another Ramsey County AFSCME bargaining unit or other non-supervisory Ramsey County bargaining unit.

- 17.4 If an employee is notified in writing by the employer that they will be laid off, is on layoff or is in a lower class because they exercised their bumping rights under this Article, that employee shall be placed at the employee's request, on a re-employment register for any class for which the employee meets the minimum qualifications. When a requisition is received by the Human Resources Department for a class where the re-employment register contains the names of employees

ARTICLE 17 WORK FORCE (Continued)

identified by this Article, those employees shall be included with the certification from the eligible register. If a requisition is received by the Human Resources Department for a job class for which there is no current register, employees on a re-employment register for the class under the terms of this Article will be referred to the appointing officer for consideration. Employees covered by this section will also be eligible for placement through the County's Job Mobility Program for any job class for which the employee meets the minimum qualifications. Eligibility for this benefit shall expire after an employee has been on layoff for two years or when the employee passes probation for a position obtained under this Article.

- 17.5 If the County, or a County department, determines that employees in a specific job classification within a bargaining unit will be laid off, the employer may allow employees in that classification and bargaining unit to volunteer to be laid off, such that less senior employees would be retained. Employees responding to the employer's request for volunteers will be considered in order of their classification seniority within their department. Employees who accept a voluntary layoff will be recalled in order of their classification seniority among those on layoff status. Employees on voluntary layoff may waive reinstatement unless they are the least senior employee in the classification on layoff status.
- 17.6 New employees shall be subject to all provisions of this contract limited only by the following:
- (1) New employees shall be subject to the following probationary period. Full-time employees shall have a one (1) year probationary period. Part-time and intermittent employees shall have a probationary period of one (1) year.

employees who choose to participate.

- 18.4 County Board Resolution 9-1811. Ramsey County shall defend, save harmless and indemnify each of its officers and employees, whether elective or appointive, against a tort claim or demand, whether groundless or otherwise, arising out of each alleged act or omission occurring in the performance of duty, except malfeasance in office or willful or wanton neglect of duty.
- 18.5 Labor/Management Committee on Insurance: This Committee shall have fifteen (15) members as follows: Three members from AFSCME Council 5; one each from other Ramsey County employee unions (Teamsters Local 320, Operating Engineers Local 49, Operating Engineers Local 70, Law Enforcement Labor Services, and Technical Employees Association); six members from County administration; and one member selected from among non-represented County employees (employee selected shall be submitted to Council 5, which shall have a right of refusal). Each bargaining unit may select one (1) alternate, who, together with the business agents, may attend meetings and participate in discussions, but will not participate in determining consensus, unless designated by their union to replace an absent member. The County may also select up to six (6) alternates, who may attend meetings and participate in discussions, but will not participate in determining consensus, unless designated by the County to replace an absent member. Attendance at Committee meetings by Committee members and alternates will be without loss of pay. The committee shall be advisory to the County Board on all insurance matters, and shall operate by consensus. All members of the Committee shall have access to all relevant statistics and information.

ARTICLE 19 POST TERMINATION HEALTH CARE SAVINGS PLAN

- 19.1 Ramsey County will administer a Post Termination Health Care Savings Plan (HCSP) for the bargaining unit. Bargaining unit members terminating employment with Ramsey County on or after April 1, 2008 will contribute one hundred percent (100%) of Separation Pay, as described in Article 11 of the Local 8 Agreement, to the HCSP. (See Article 18.2 for information on additional HCSP's.)

ARTICLE 20 GENERAL PROVISIONS

- 20.1 Neither the Union nor the Employer shall discriminate against any employee because of Union membership or non-membership, age, color, creed, handicap, national origin, parental or marital status, political belief, race, religious belief, sexual or affectional preference, sex, receiving public assistance or social services, or because of a previous emotional or mental disturbance. Sexual harassment shall be considered discrimination under this Article.
- 20.2 Union Bulletin Boards. The Employer agrees to furnish and maintain suitable bulletin boards in convenient places. The Union shall limit its posting to official notices and bulletins of the Union to such bulletin boards.
- 20.3 The Employer agrees to recognize three (3) stewards and one (1) alternate as certified by the Union subject to the following stipulations:
- (1) Stewards and other employee Union officers shall not leave their work stations without the prior permission of their designated supervisor(s) and they shall notify their designated supervisor(s) upon return to their work stations. Permission to leave a work station for Union business will be limited to the investigation and presentation of grievances.
 - (2) Non-employee representatives of the Union shall be permitted to come on the premises of the Employer for the purpose of investigating and discussing grievances if they first notify the Employer's designee and provided the Union representative does not interfere with the work of employees.
- 20.4 Work Rules. The Employer departments shall have the right to establish reasonable work rules which shall be equitably and uniformly applied within their department. Prior to the effective date, any work rules shall be posted on all bulletin boards for a period of ten (10) consecutive work days. In addition, copies shall be furnished to the Union, and when effective, all existing work rules shall be furnished to all employees. New employees shall be furnished a copy of all work rules when hired. Any complaint as to the reasonableness of any new or existing rules, or any complaint involving discrimination in the application of new or existing rules, shall be resolved through discussion by the parties.
- 20.5 All in-service training shall be at the expense of the Employer.
- 20.6 (1) During the term of this Agreement, the Employer shall not contract out or subcontract any public work performed by employees covered by this Agreement which would result in a lay off.
- (2) In the event the Employer feels it is necessary to contract out or subcontract any public work

ARTICLE 20 GENERAL PROVISIONS (Continued)

performed by employees covered by this Agreement, the Employer will notify the Union no less than ninety (90) calendar days in advance. During the ninety (90) days the Employer will meet with the Union and discuss possible ways and means to minimize the elimination of positions.

- (3) As the result of merger, transfer or reorganization of any department, no employee may be laid off or suffer any reduction in classification, pay or seniority except in the single instance where an employee refuses a job assignment consistent with their classification pay and seniority rights provided by this Agreement.
- 20.7 Any subject matter placed in the employee's personnel file shall be served upon the employee in writing. Such matters that could be detrimental to the employee shall be a proper subject for the grievance procedure. All materials in the employee's file shall be available for the employee's inspection.
- 20.8 Safety. A safety committee consisting of two (2) employees designated by the Union and two (2) County representatives will be formed to deal with the mutual safety concerns of the employees and the Employer. This committee will investigate employee complaints relating to safety and if the problem is confirmed, make recommendations to the department to resolve the potential risk. If the department has not responded to the committee recommendations within a time specified by the committee, they will submit the matter to the County Manager's Office. The County Manager's Office shall respond in writing to the committee within the time set by the committee. Danger to an employee's health or safety is recognized as a defense against discipline for refusal to start work or continue work, but not as it relates to duties which are part of the job. Employees who have safety concerns may process such concerns through the Safety Committee, but not through the grievance procedures of the collective bargaining agreement.
- 20.9 In the event new technology is introduced changing the skill requirement of any position covered by this Agreement, the Employer will provide training to assist the employee in the affected position to acquire the necessary proficiency in the utilization of the newly-introduced technology.
- 20.10 Education Allowance: Any employee who, in order to improve their work performance, takes courses which have a direct relationship to their work or a position they can reasonably hope to advance to, may, upon submission of evidence of successful completion of such courses, be refunded the amount of the tuition. An employee desiring to take advantage of this training program must have the course work approved previous to enrollment by their department head. Factors upon which an employee's eligibility depends include the past work record of the employee, their service ratings; length of service, the relevance of the course work to the

employee's position; the status of the educational institution and availability of funds. If the employee leaves the County service except in case of layoff, within one year after completion of a course taken under this rule, the employee must refund the amount spent by the County. Effective 1/1/18, tuition payments shall be limited to \$2,600 annually for any one employee. Effective 1/1/19, this limit shall increase to \$4,000 annually for any one employee. Employees otherwise eligible for a refund shall not submit claims for tuition reimbursement when such tuition has been or shall be paid by a federal plan of "benefits for veterans and service personnel" or by other sources.

20.11 Drug testing for employees required to have a Commercial Drivers License.

- (1) The Employer agrees to advise the Union when an employee is to be tested, provided the employee consents to informing the Union, and subject to the limits of the Minnesota Data Practices Act.
- (2) The Employer will identify positions for which a Commercial Drivers' License is required.
- (3) An employee failing either an initial screening drug or alcohol test, or for the first time, failing a confirmatory drug or alcohol test, may be temporarily suspended with pay or transferred to a position that does not require a Commercial Drivers' License pending the outcome of the confirmatory test, and if requested, the confirmatory retest, provided the employer believes that it is reasonably necessary to protect the health or safety of the employee, co-employees, or the public, consistent with the provisions of Minnesota Statutes 181.953, Subdivision 10, and applicable Federal regulations.
- (4) The Employer will meet the alcohol testing standards of applicable Minnesota and U.S. statutes, and will inform the Union when an employee is being tested, provided the employee consents to informing the Union and subject to the limits of the Minnesota Data Practices Act.
- (5) Supervisors designated to determine whether reasonable suspicion exists to require an employee to undergo testing will be trained in compliance with CFR 382.603. Determination of reasonable suspicion will be put in writing, including the basis for the suspicion. The Union will be notified of such determinations, provided the employee consents to informing the Union, and subject to the limits of the Minnesota Data Practices Act.

The County will provide a letter to the Union indicating that Commercial Drivers' License testing will only apply to job classifications meeting the Federal standards of 26,000 pound vehicles, etc. Thus,

classifications such as Case Aide that require the transportation of clients in County or personal cars shall not be subject to this provision.

20.12 If an employee is required to wear a uniform by the employer, the employer will furnish said uniform, unless otherwise modified by this agreement.

20.13 Library Labor-Management Committee - The Employer and the Union recognize the value of a “policy consultant” relationship with professional employees and agree to meet and confer as provided for in Minn. Stat. 179A.08. Such meet and confer activity shall afford opportunity to share knowledge, expertise and dedication that may assist the Employer in developing policies which are helpful and necessary to the operation and quality of public service. The parties agree to utilize the Labor-Management Committee to discuss issues related to the Manager-in-Training program. The parties may meet monthly or on such other basis as is mutually agreeable. The professional employees may designate up to three (3) representatives and one (1) alternate for the meet and confer sessions.

ARTICLE 21 COMPLETE AGREEMENT AND WAIVER OF BARGAINING

- 21.1 This Agreement shall represent the complete Agreement between the Union and the County.
- 21.2 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the County and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- 21.3 Savings Clause. Should any article, section, or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specified article, section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated article, section or portion thereof.

ARTICLE 22 TERM OF AGREEMENT

This Agreement shall be effective as of the first day of January, 2018, and shall remain in full force and effect until the last day of December, 2020. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing by June 1 that it desires to modify this Agreement. In the event that such notice is given, negotiations shall begin not later than July 1. This Agreement shall remain in full force and be effective during the period of negotiations or until notice of termination of this Agreement is provided to the other party in the manner set forth in the following paragraph.

In the event that either party desires to terminate this Agreement, written notice must be given to the other party not less than ten (10) days prior to the desired termination date. The termination date shall not be before the anniversary date set forth in the preceding paragraph.

IN WITNESS WHEREOF, the parties hereto have set their hands this 15th day of January, 2018.
